Remarks

This matter has been listed this morning pursuant to my order of 23 May 2007 whereby I appointed Public Trustee as administrator of the estate of Irimi Stiliano, deceased. From my perusal of the file, this matter is now at an end subject to any application that may be made by any affected party in relation to the administration of the estate. My present opinion is that this file is now completed for all purposes but because there in attendance today Ms Stella Stiliano I allow for the possibility that she may wish to make an application to the Court relating to the appointment of PT and PT's administration of the estate. I also allow the possibility that PT may within this action seek directions of the Court relating to the administration of the estate. I have encouraged Ms Stiliano to seek legal advice if she is concerned about the way in which the assets of the estate are to be distributed. I have indicated to her that on my understanding of the law the property in Greece will be legally distributed in accordance with the terms of the Will as opposed to the "nomi mira" principle referred to in Ms Stiliano's affidavit (FDN 22).
